CHAPTERS - SHOW DATES , NEW LICENSED AND CHAPTER DISSOLUTION

8.01 Show Date Clearance

A. No Chapter shall conduct a Chapter sponsored show, without first obtaining clearance from the District Secretary.

B. It is recommended that no clearance be granted for a date on which there is a District meeting, District School or District Contest.

C. The Secretary shall be responsible for granting and monitoring clearance for show dates as requested by chapters. There shall be no limit to the number which can be held on a given day provided no two are within forty miles of each other. The Secretary is empowered to grant exceptions to this rule provided that each previously cleared chapter which lies within a forty mile radius of the site of the requesting chapter show gives its written permission.

D. The Secretary shall advise any chapter applying for show clearance on dates reserved for International Conventions that the chapter must receive conditional clearance from the Society office. Clearances shall not be granted on mid-winter Convention dates within five hundred miles of the mid-winter Convention site.

8.02 Newly Licensed Chapters

A. Newly Licensed/Chartered Chapters shall be permitted to send up to 5 Chapter Officers to COTS and the COTS tuition shall be waived on a one time basis.

8.03 Chapter Dissolution

In the event a Chapter dissolves the following is to take place:

A. The Chapter shall turn in its Charter to the District, or provide a letter stating they cannot find the Charter and that they wish to relinquish it.

B. U.S. Chapters shall pay all their outstanding bills and turn over all their remaining assets (money, risers, uniforms, music, etc.) to the District. No exceptions are allowed. No funds may be donated or used for any purpose contrary to IRS regulations affecting the Society's tax exemption.

C. Canadian Chapters shall pay all their outstanding bills and turn over their assets to a registered Canadian charity. This may be another Canadian Chapter but it must be a Chapter that has properly Incorporated and established its charitable status under Canadian (or Provincial) law.

D. The Chapter must file a final Corporate tax return (IRS Form 990) (Province Form T2) and to the Society

office, or provide a letter stating they are out of business and never earned more than \$25,000 in any calendar year of operation.

E. The Chapter must notify the State (or Province) that it is no longer a viable Corporation and provide documentation of such to the District.

F. Upon completion and verification of the above the Society will remove the Chapter from its rolls.

8.04 Political participation

The following is the substance of a recommendation from the Society Laws & Regulations Committee, and is being included as an LOL District Policy.

A. Chapters may not accept political advertisements in their show programs or other publications. Organizations (such as the Society) which are tax exempt under Section 501(c)(3) of the Internal Revenue Code are specifically prohibited by IRS laws, rules and regulations from engaging, in any substantial manner, in activities for carrying on propaganda, or attempting to influence legislation, or participating in any political campaign. (The Society's chapters, districts and other officially recognized subordinate units are included under the Society's exemption by virtue of a "blanket exemption" ruling issued by the IRS to the Society.) Many state laws applicable to non-profit organizations have similar -- and in some cases more restrictive -- provisions.

B. Paragraph 7e of the Society Statements of Policy specifically prohibits paid or unpaid appearances (performances) at political functions in support of a candidate. It is our opinion that including political advertising in a show program is a similar activity, in that it may give the appearance of an endorsement of the candidate, and (even if it is identified as a paid political advertisement) it may be deemed to be "participating" in a political campaign. L&R is of the opinion, however, that a chapter may accept an ad from someone who happens to be a political candidate, using his/her name, but with no reference to any political contest -- just like an ad (or "best wishes," "compliments) from any non-candidate.

C. By contrast, a chapter chorus (or quartet) may make an appearance at the opening ceremony for a political convention to sing the National Anthem (as a paid or unpaid civic activity), and/or to provide entertainment as paid performers (being careful not to include any material which could be considered to be partisan). We caution the chapter that its members (in uniform or otherwise identified as chapter/chorus members) should also enter and leave the hall as a unit, avoiding any appearance of being participants in the official convention activity -- other than as performers or entertainers. In this case, L&R believes the activity is permitted, so long as there is no suggestion of "endorsement" of candidate(s), party, or issue(s), and no favoritism is shown.

D. As previously noted, organizations (such as the Society, its chapters, districts and other subordinate units) holding an exemption under Section 501(c)(3) of the IRS Code are also generally prohibited from engaging, in any substantial manner, in activities for carrying on propaganda, or attempting to influence legislation. For that reason, great care should be taken to avoid any activities such as participating as an identifiable group in letter writing campaigns, circulation of petitions, or other activities which might be considered to be lobbying in favor of, or in opposition to legislation, or otherwise to fall within that prohibition.

8.05 Religious Holidays

The Society and its Districts will not schedule barbershop events in conflict with significant religious holidays and

observances.

ARTICLE IX
