PRESIDENTS LETTER FROM PAUL KRUEGER

What a year it has been for the state of Wisconsin! New government took over, we saw the Badgers make a run to the Rose Bowl and of course the Packers had a Super season. With any luck Ryan Braun, Zack Greinke and the rest of the Brewers will continue the state's sports success.

In the racquetball world, we saw several changes as well. As we put the finishing touches on the 2010-11 racquetball season, it's time to look back at what we've done and look forward to what we hope to accomplish. As you all know, the Wisconsin Racquetball Association (WRA) broke away from its affiliation with the United States Racquetball Association (USRA) this past fall to become a separate entity. We are doing that in the hopes of attracting more players to the game of racquetball, especially for tournament play, among other things.

Effective immediately, we have a one-year membership fee of \$15 and a one-event exemption fee of \$5 that will allow players to play in any WRA-sanctioned tournaments. One fantastic benefit of membership is a hotel deal with the Sheraton Hotel – Milwaukee (right off Hwy. 94 on Moorland Rd.) for all WRA members. During the weekend of the Wisconsin State Singles Tournament at the Wisconsin Athletic Club in West Allis (March 4-6), WRA members will be able to reserve rooms for just \$59/night! They will also give WRA members a rate of \$69/night any other time throughout the year with blackout dates applying. This is a tremendous benefit of your WRA membership and the first of what we hope are more to come. Contact me by email at p.krueger@prairieathletic.com or phone (608-837-4646) and I will give you contact numbers for these great deals.

We feel we have upgraded our state ball by switching to the Ektelon Classic Black ball, which has held up extremely well in tournament settings, shown true bounces and strong durability.

We are closing in on selecting a new logo and will look for your help along the way. Through our web site and email we will offer you a few different choices, then tally up the votes and

go forward with a new logo that will be on tournament giveaways. We will also sell apparel and other items with the new logo. This is yet another endeavor we plan on doing with your help.

The Prairie Athletic Club (PAC) will host the 2011 Wisconsin Junior State Tournament on March 18-19. The tourney will be a one-day tourney on March 19 unless the draw is large enough to warrant matches on Friday, March 18. We hope to have another great hotel deal for that weekend and all upcoming PAC tournaments as well so stay tuned for that information.

The PAC will also host a Junior Clinic/Tourney at 2:30 p.m. on Saturday, February 26 to tune up for State Juniors. Contact me for more information on that as well – and watch for other junior events we plan on running in the future.

The WRA realizes the juniors are the future of the sport and we want to do everything we can to get kids exposed to the sport of racquetball – and hopefully taking a strong interest. We hope to expand our junior programs throughout the state and get the next generation of racquetball players going in the sport we love. In conjunction with that, look for WRA fundraisers to help send kids out to Portland, Oregon for the Junior National tourney in late June so we can again have a great showing out of our kids in a national tournament.

We hope to put together a page on Facebook in the near future and do whatever we can to get the word out about the WRA. We can use all the help we can get to push the sport of racquetball in our great state so if you have an interest in serving on the board, giving WRA members a discount through your business or doing anything else to help – please contact me.

I hope to see many of you at the State Singles tourney the first weekend of March and throughout the year at other tournaments and events. Good luck the rest of the season, enjoy the warmer weather to come and please contact me if you have comments, suggestions or ideas to help the WRA.

**BRANDT BOWER
TO RECEIVE 2011
LOU BRADLEY/JERRY
STOLTMANN
SPORTSMANSHIP AWARD**

Brandt Bower

Brandt Bower has been playing on the Wisconsin racquetball scene for many years and we feel that it would be very hard to find anyone who doesn't feel he is not only a great sport and gentleman on, but also off the court. That is why the Board of Directors of the Wisconsin Racquetball Association has selected Brandt to receive our 2011 Lou Bradley/Jerry Stoltmann Sportsmanship Award.

As those who have faced him on the court know, he is a very accomplished player. On the national level in master's tournaments he has done very well. In 2005 he teamed with Don Gunderson to win a gold medal at the National Masters in the 60+ Doubles. In 2007 he added a gold medal in the 60+ at the World Senior Racquetball Championships and silver at the National Senior Olympics. He also has teamed with Ray Carney to win medals at the World Senior Huntsman Games over the past few years.

TOM HENKE TO ENTER WRA HALL OF FAME

Tom Henke will be inducted into the Wisconsin Racquetball Association Hall of Fame as the Class of 2011 at 8 p.m. on Saturday, March 5, 2011 during the State Singles Tournament.

Tom has been a top level racquetball player in Wisconsin since the mid to late-1990s. Tom is currently the Head Softball Coach at the University of Wisconsin-Stevens Point and lives with his wife, Lois, and three daughters in Stevens Point. In fact he and Lois met at a racquetball tournament in Wisconsin Rapids where Tom played much of his racquetball, King Richards Courts.

Tom won his first State title teaming with Hall of Famer Gary Tanko to win the Men's 25+ Open in 1987 and then again in 89 and 90. Over the years he and Tanko teamed to win the Men's Open Doubles in 1997 and 98, 30+ Doubles in 92, 35+ Doubles in 94 and 96, along with the 40+ Doubles in 98. With a variety of other partners Tom won WRA or State YMCA Doubles titles in 1995, 96, 99, 2000, 05, 06 and 08. From 1989 to 2005 Tom place second in another 10 WRA or State Y Doubles.

Not only is Tom a great doubles player he is a top singles player taking State Y Men's Open in 1993, 97 and 98. He also took WRA State titles in the 25+ in 1989, 35+ in 94, 40+ in 98, 45+ in 2003 and 50+ in 2008. Add in other 8 second place state finishes and you see why we are excited to induct Tom Henke into the Wisconsin Racquetball Association Hall of Fame.

Tom tells us that the most important thing to him through his many years as a top player in Wisconsin are the countless friendships and special memories from all those matches and tournaments. Congratulations Tom!

Tom Henke, Hall of Famer

**KEITH NYGREN, WISCONSIN ATHLETIC CLUB
PRESIDENT/FOUNDER HONORED**

Since its founding in 1976 as The Racquetball Club, there has been no more supportive club to the efforts of the Wisconsin Racquetball Association and Wisconsin racquetball in general than the Wisconsin Athletic Club. All of us in Wisconsin and the WRA truly have appreciated this and at the State Tournament, which again is being held at the WAC-West Allis. We will take the opportunity to thank and honor Keith Nygren, President/Founder of the Wisconsin Athletic Club. Not only is the Wisconsin Athletic Club one of the top clubs in Wisconsin with six locations, but has been honored nationally for its league program and overall racquetball program. Keith, thanks on behalf of all the racquetball enthusiasts in Wisconsin for what you and the Wisconsin Athletic Club have done for the sport we love!

VEENSTRA AND RENS REPEAT AS STATE RACQUETBALL CHAMPS

Kyle Veenstra (Wausau) and Troy Rens (Marshfield) repeated as the Mens Open champs to highlight a great weekend of competition at the 2010 Wisconsin State Doubles Racquetball Tournament, hosted by the Prairie Athletic Club (PAC) in Sun Prairie.

Veenstra/Rens won three tough matches in a deep and talented draw, needing a tiebreaker to get past former champs Carl Evers and Matt Stamborski in the first round and holding off a couple of furious rallies to beat PAC's Andy Thompson/Adam Reiersen in the semis.

In the final, Veenstra/Rens made the big plays at the end in edging Paul Krueger/Tracy Chynoweth, also of the PAC, 15-14, 15-13.

The final was the seventh match of the day for Chynoweth and the eighth for Krueger, who upset third-seeded Jay Wollenberg/ Greg Beatty in the semi-finals and second-seeded Dan Hodges/

Brant Spiewac in the quarter-finals. Krueger/Chynoweth slipped past Ryan Homa/Dylan Wick to open their tourney in a tiebreaker in one of several great early matches.

In their bid to pick up another state title, Veenstra/Rens fell short in a tiebreaker loss to Scott Kraemer/Matt Stamborski in the 30+Open final. Kraemer/ Stamborski had rallied back from a first-game loss to top Krueger/Chynoweth in a tiebreaker in the semi-finals.

Krueger also teamed with Jesi Haak to place second in Mixed Open, losing in two games to Wollenberg/Trish Beatty.

Beatty and Kara Mazur won the Womens Open draw, which was a round-robin with four teams.

Carl Evers and Hodges won the Mens 40+ Open, defeating the defending Mens Open champs Darrel Zaleski and Eric Lindquist in the final.

Nearly 130 players competed in the tourney, which featured 17 divisions. Results of the tournament, sponsored by the U.S. National Guard, are listed below.

MANAGING YOUR ANXIETIES IN THE SPORT OF RACQUETBALL

By: Stanley Popovich

At times, our worries and anxieties can overwhelm us. In addition, our worries can distort our perception of what is reality and what is not. As a result, this may interfere with your sport of racquetball. Here is a brief list of techniques that a racquetball player can use to help gain a better perspective on things during their anxious moments.

Sometimes we get stressed out when everything happens all at once. When this happens, a person should take a deep breath and try to find something to do for a few minutes to get their mind off of the problem. A person could read the newspaper, listen to some music or do an activity that will give them a fresh perspective on things. This is a great technique to use right before your next event.

Remember that our fearful thoughts are exaggerated and can make the problem worse. A good way to manage your worry is to challenge your negative thinking with positive statements and realistic thinking. When encountering thoughts that make you fearful or anxious, challenge those thoughts by asking yourself questions that will maintain objectivity and common sense.

Remember that all the worrying in the world will not change anything. Most of what we worry about never comes true. Instead of worrying about something that probably won't happen, concentrate on what you are able to do.

Another technique that is very helpful is to have a small notebook of positive statements that you can carry around with you. Whenever you come across an affirmation that makes you feel good, write it down in a small notebook that you can carry around with you. Whenever you feel stressed before your event, open up your small notebook and read those statements. This will help to manage your negative thinking.

In every anxiety-related situation you experience, begin to learn what works, what doesn't work, and what you need to improve on in managing your fears and anxieties. For instance, you have a lot of anxiety before your event and you decide to take a walk to help you feel better. The next time you feel anxious you can remind yourself that you got through it the last time by taking a walk. This will give you the confidence to manage your anxiety the next time around.

Take advantage of the help that is available around you. If possible, talk to a professional who can help you manage your fears and anxieties. They will be able to provide you with additional advice and insights on how to deal with your current problem. By talking to a professional, a person will be helping

themselves in the long run because they will become better able to deal with their problems in the future. Remember that it never hurts to ask for help.

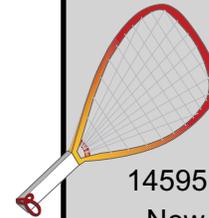

It is not easy to deal with all of our fears and worries. When your fears and anxieties have the best of you, try to calm down and then get the facts of the situation. The key is to take it slow. All you can do is to do your best each day, hope for the best, and when something does happen, take it in stride. Take it one step at a time and things will work out.

DO NOT STRESS OVER YOUR COMPETITION

By: Stan Popovich

Many athletes sometimes get anxious when they play against a tough opponent. They get nervous on who they are competing with and they get so worked up that they lose focus on playing their sport. In the end, they make mistakes and end up beating themselves up if they do not win. As a result, here is a list of techniques that an athlete can use to help manage the stress of playing against the competition.

The first step is to learn as much as you can on your opponent. Although this may seem obvious, some athletes may think they already know what they need to know. Remember there is always something to learn about your competition. Read the reports about your opponent and watch him or her performance. Try to figure out an angle on how you can beat your competition. The more you know about your competition the better your chances are you will win. This will also help to reduce your worries in the future.

Do not assume anything about your competition whether they are stronger or weaker than you. Every athlete has his good and bad times and just because you may be facing a stronger opponent does not mean that you will lose. Remember that you and your opponent both have an equal chance of winning. You are both starting from scratch. This should help you to give you confidence going into your next event.

Focus on how you can best strive for perfection in your own event instead of worrying about your opponent. For instance, you are going against the number one athlete in the tournament and you are nervous. Instead of focusing on how good your competition is, focus on your performance. Concentrate on how you can perform your event and how you can best improve on your problem areas.

Realize that you can't win all of the time and that also includes your competition. You may be the best athlete in the world, however you will still sometimes lose. No one can win all of the time. When facing a tough competitor, use this fact to your advantage. Even the best athletes will make some mistakes.

It is not uncommon to get nervous when you go against a better opponent. All you can do is to focus on your skill sets and do the best you can. This will help you in the long run.
